

» 2025 Coperion Technology Update

EFFICIENCY AND IMPROVEMENTS IN POLYOLEFIN PRODUCTION TECHNOLOGY

February 11, 2025 | Seoul, Korea

Conference information

➤ Agenda – Part 1

February 11, 2025

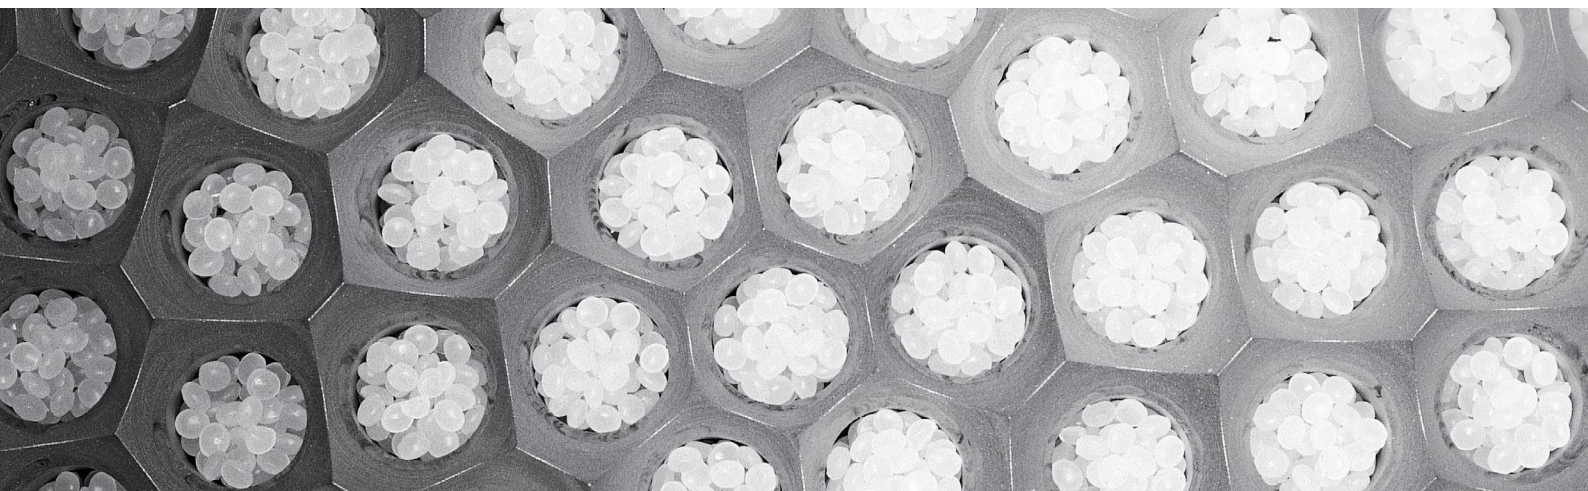

- 8:00** **Registration**
- 9:00** **Welcome & Safety**
Hans-Peter Neuberger | Managing Director | Coperion Japan
- 9:15** **Coperion - Latest Company Developments and Acquisitions**
Hans-Peter Neuberger | Managing Director | Coperion Japan
- 9:30** **Coperion`s Setup in Korea**
Clark Son | General Manager | Coperion South Korea
- 9:50** **Coperion - Extruder Basic Principle**
Claus Hermann | General Manager Extrusion Systems Large | Coperion GmbH
- 10:00** **Coperion - Material Handling Basic Principle**
Christoph Schumacher | General Manager Material Handling Plants & Systems | Coperion GmbH
- 10:10** **Coffee Break**
- 10:30** **Extruder Process Technology: Latest Developments & Largest Capacities**
Claus Hermann | General Manager Extrusion Systems Large | Coperion GmbH
- 10:50** **Materials Handling: Latest Updates**
Christoph Schumacher | General Manager Material Handling Plants & Systems | Coperion GmbH
- 11:30** **Extruder & Material Handling Design: Basis and Application**
Claus Hermann | General Manager Extrusion Systems Large | Coperion GmbH
Christoph Schumacher | General Manager Material Handling Plants & Systems | Coperion GmbH
- 12:00** **Color Change Technology**
Claus Hermann | General Manager Extrusion Systems Large | Coperion GmbH
- 12:30** **Lunch Break**

➤ Agenda – Part 2

February 11, 2025

- 13:30 **With New Material Handling Technology to More Efficiency - FLUIDLIFT ecoblue and New RV ZXQ Seal**
Christoph Schumacher | General Manager Material Handling Plants & Systems | Coperion GmbH
- 14:00 **Extruder Modification - Potential for Enhanced Efficiency: Debottlenecking & Upgrades**
Hans-Peter Neuberger | Managing Director | Coperion Japan
- 14:30 **Energy Consumption Reduction in Extrusion Systems: Latest Developments**
Claus Hermann | General Manager Extrusion Systems Large | Coperion GmbH
- 14:50 **Coffee Break**
- 15:10 **Additive Metering Package Process Trend**
Chang-Kyung Kim | Sales Director | InFeed
- 15:30 **Cooperation with Korean EPC: A Success Story**
Clark Son | General Manager | Coperion South Korea
- 16:00 **Polyolefin Recycling**
Claus Hermann | General Manager Extrusion Systems Large | Coperion GmbH
- 16:15 **Closing Remarks**
Hans-Peter Neuberger | Managing Director | Coperion Japan
Clark Son | General Manager | Coperion South Korea
- 16:30 **End of Conference**

➤ Efficiency and Improvements in Polyolefin Production Technology Conference information

➤ Free Conference

Please find all information of this free conference [here](#).

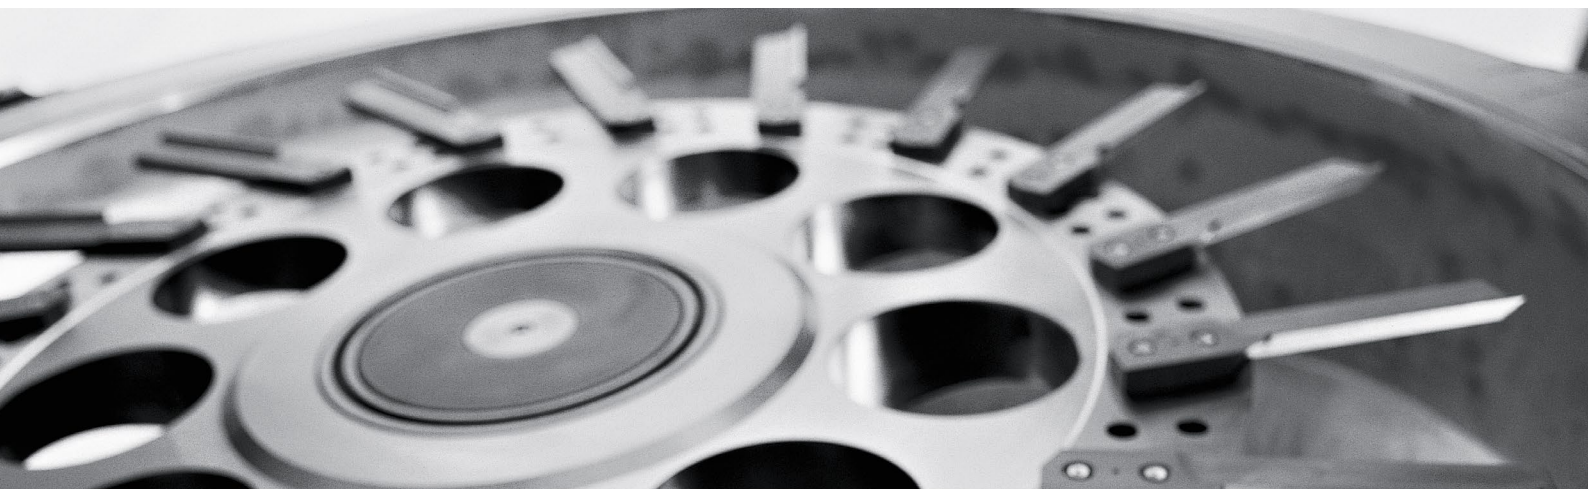

➤ Conference venue

Novotel Ambassador Seoul Dongdaemun Hotel
238 Eulji-ro, Jung District
Seoul, Korea
Phone +82 2-3425-8000
www.novotel.com

➤ Parking

Please register at the Coperion event reception for free parking during the event.

➤ Efficiency in Plastics Manufacturing – Coperion Contact Details

For more information please contact:

Mr. Clark Son
Deputy General Manager Korea
Coperion
Mobile: +82 10 4467 6148
clark.son@coperion.com

Mr. Antony Ju
Business Development Manager
Coperion
Mobile: +82 10 3127 8409
antony.ju@coperion.com

➤ We look forward to welcoming you to the Coperion Technology Update 2025 in Korea.
